Dogecoin DOGE Miner Website

A Crypto Miner for your Website Start Browser Mining, Get Dogecoins: Simple URLs You will have simple URLs to mine your dogecoins directly through your browser.. About a week ago, there was talk over at about mining in a web browser; for those who can't get mining to work otherwise, to help introduce people to cryptocurrencies, etc.. It's VERY beta right now, but if people like it, I'll work on improving it! Any comments, ideas, suggestions, problems, criticisms, better writing, design, or pretty much anything can be posted here or sent in a PM.. Thanks to everyone for making this such a great community! EDIT: So I can't keep up with the comments, but I'll try to get through all the questions eventually.. Long story short, I'd played with the idea before, and I got inspired to continue with it! So today, I present to you.
